# MicroPod SE Active

## Stylish active speaker system

Based on the same acoustic engineering principles as the MicroPod Passive, the MicroPod Actives are ideal when space is at a premium. Set up is simple with the volume control and 3.5 mm stereo input socket on one speaker, which then connects to the other via a length of conventional speaker cable.

The MicroPod Active is ideal for those who want convenience and stunning performance from such a small package.

## Use it with:

Smartphones
iPod
iPad
iPhone
Tablets
PC
MAC
TV
PlayStation
Hi-Fi stereo
